## OHIO'S PUBLIC SCHOOLS

School Survey Day in Wauseon-Meet-

Conforming with the governor's proclamation concerning "School Survey Day" Friday, November 14th, a notice of which was published in last week's issue of the Tribune. There will be a citizens mass meeting held in the high school assembly room this Friday evening at 7:30. Every citizen who is interested in the public of Lyons, Ohio, was solemnized at zen who is interested in the public schools of Ohio and that ought to mean every man and woman in Wau-seon, should be present at this meet-

seon, should be present at this meeting.

The fact that the pictures for the Art exhibit being given for the benefit of the public schools this week, failed to arrive Monday, has made it possible to hold the pictures over for exhibition next Saturday and the Friday night exhibition will be postponed until Saturday evening to make way for the meeting to be held in accordance with the governor's proclamation. At each meeting held on Friday a delegate is to be chosen to represent the community or school district at the big educational meeting to be held in Columbus in December. The plans of Governor Cox and his administration to make a radical change in the Ohio Public School system was divulged at the meeting of the Northwestern Teachers Association in Lima last week when the expert brought into the state, from New York, to conduct the survey of conditions in Ohio schools and to suggest plans for improving the school system annuanced proposed legislagest plans for improving the school system announced proposed legislation to be brought before the General Assembly in special session this winter. Roughly outlined, this legislation would provide for county school superintendents to be appointed by the State School Commissioner who it must be remembered is school superintendents to be appointed by the State School Commissionor, who it must be remembered is 
himself, an appointee of the governor. The position of superintendent 
of town or village schools would be 
abolished, also the Boards of Education, now elected by the people. 
Principals, to be appointed by the 
county superintendent who is to be 
appointed by the State School Commissioner, who in turn is appointed 
by the governor, will take the place 
of the present superintendents. The 
whole scheme as presented by the 
expert mentioned above and how it 
would affect local conditions will be 
made clear at the meeting Friday 
night and it will be up to the citizens of this village in regard to 
this matter. If there is protest 
against this startling change in the 
citizens of this village in regard to 
this matter. If there is protest 
against this startling change in the 
public school system, now is the 
time to express that protest; or if 
the sentiment is favorable to it, now 
is the opportunity to express that 
sentiment. This is not a matter of 
party politics but a matter which 
affects the most vitaly important of 
our public institutions. There will affects the most vitaly important of our public institutions. There will be doubtless difference of opinion, but the expression of opinion, whatever it may be, will aid in determining what is the prevailing opinion and thus enable the legislators to decide upon the attitude they will maintain toward this measure when it comes before them for their action.

action.

The general effect of such a change in the school system would be to take the control of local schools out of the hands of the people and place it in the hands of the governor; just as the Warnes law has taken the matter of assessing tax valuations out of the hands of the people and placed it practically in the hands of the chief executive. Be at the meeting at the high school building Friday night and be ready to express your opinion.

## YOUR HAIR MAY BE

Beautiful hair has made the fortune of many a woman, by adding charm and loveliness to an otherwise plain face. Nothing meanmore to good looks than beautiful hair. It adds to the attractiveness of every feature. Without it you will be at least pretty.

To have beautiful, with it you will be at least pretty.

To have beautiful, with it will improve the beauty of your hair, taking away the dull harshness and stringiness, softening and polishing every hair in your head and making it soft, silky, glossy, easier to put up and keep in place, and at the same time giving it a rich and lasting rose fragrance that will delight both you and those around you.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo, This pure liquid shampoogives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments.

Both perparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canade and Great Richard, which own the big Harmony laboratories in Boston, where the many celebrated Earmony Perfumes and Tolite Preparations are mader—Read & Wager, Wauseon, Ohio.

BUCKEYE BOYS TO APPEAR IN MOVING PICTURES

Members of the Buckeye Boys Corn Special Party likely will enjoy the distinction of having their pictures shown in every town in Ohio and even shown in every town in Ohio and even beyond the confines of this state if the wish of a moving picture syndicate is granted. It is reported that a moving picture concern has asked permission to accompany the Buckeye Boys Corn Special Party with a view of securing pictures to be shown in the various communities having representatives in the party.
